

A photograph of an elderly person's hands holding a tablet. The tablet screen shows a warm-toned image of a church interior with a large white cross. The background is blurred, showing what appears to be a window or a bright indoor space. A large, semi-transparent 'SAMPLE' watermark is oriented diagonally across the center of the image.

For every beloved elder walking faithfully in a rapidly changing world. Your wisdom is a gift. Your faith is strength. Your journey matters deeply.

Introduction

Technology changes fast—but God’s presence does not. For many older adults, digital life can feel confusing, overwhelming, or simply exhausting. Yet every season of life holds purpose, and every moment can be shaped by God’s gentle wisdom.

This devotional invites you to breathe, slow down, and reconnect with the peace that comes from walking closely with Him. Whether you’re learning a new device, maintaining connections online, or simply longing for more clarity in a noisy world, these 33 days offer compassion and spiritual grounding.

You are not behind.

You are not alone.

You are exactly where God can speak to you.

How to Use This Devotional

Each entry includes:

- Scripture (KJV, italicized, no quotes)
- A brief word of encouragement for your season
- One small, simple action step to bring peace into your day

These steps are never overwhelming.
They are gentle, achievable, and meaningful.

You may read one devotional each day,
or pause as needed and move at a comfortable pace.

Let God meet you in every quiet moment.

Week 1 — Trust, Connection, and God’s Wisdom in a Digital Season of Life

DAY 1 — Trusting God While Adapting to New Digital Tools (Entry 1)

Scripture:

I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye. — Psalm 32:8

Encouragement:

Learning something new—especially technology—can feel frustrating or even intimidating. But God promises to **instruct** you and guide you gently. You are not behind, and you are not expected to “keep up” with everything. God walks with you at your pace.

When you feel unsure, remember: He is patient, kind, and fully aware of your abilities. He will show you the way, step by step.

One Small Action:

Choose one digital task you’ve been avoiding and spend five calm minutes exploring it without pressure to master it.

Week 2 — Courage, Gratitude, and Protecting Peace

DAY 10 — Finding Courage and Clarity When Technology Frustrates (Entry 1)

Scripture:

Fear thou not; for I am with thee... I will strengthen thee; yea, I will help thee. — Isaiah 41:10

Encouragement:

Frustration is natural when devices don't cooperate. But God gently reminds you that you never face these moments alone. He strengthens your patience, steadies your thoughts, and calms the tension that rises inside.

When you become flustered, pause. God is with you right there—in the very moment that feels overwhelming.

One Small Action:

When frustration rises today, step away for 30 seconds and breathe slowly before trying again.

Week 3 — Mentoring, Joy, and Strength in Every Season

DAY 19 — Mentoring Younger Generations Through Wisdom (Entry 1)

Scripture:

One generation shall praise thy works to another, and shall declare thy mighty acts. — Psalm 145:4

Encouragement:

Your life contains decades of stories, experiences, and spiritual insight. Younger people need that wisdom—perhaps more than they realize. Your quiet guidance, your prayers, and your presence can shape the next generation's faith. Your legacy is not in what you have done, but in what you pass on.

One Small Action:

Share one encouraging story or piece of wisdom with a younger person today.

Week 4 — Confidence, Faithfulness, and Daily Praise

DAY 28 — Building Confidence in God Rather Than Technology (Entry 1)

Scripture:

The LORD is my light and my salvation; whom shall I fear? — Psalm 27:1

Encouragement:

Technology changes constantly, but God never changes. Your confidence doesn't have to depend on knowing every button, menu, or setting. Confidence grows when your heart rests in the One who lights your path—not the device in your hand. Let your courage come from God, not from skill or speed.

One Small Action:

Say aloud today: "My confidence is in the Lord, not in my technology."

Closing Blessing

May God grant you peace for today, strength for tomorrow, and joy that carries you through every season of your life.

About the Author

Anna Shepherd writes devotionals for believers navigating modern life with timeless faith. Her work brings peace, clarity, and Scripture-driven encouragement to readers in every season.

If this devotional blessed you, Anna invites you to stay tuned for future titles in the Faith & Technology series and other upcoming works from NSH Publishing.

Acknowledgments

Every devotional book is a partnership—between the writer, the readers, and the God who inspires every word.

Special thanks go to the friends, mentors, and faith communities who continue to encourage spiritual creativity and devotion. This project would not exist without your prayers and support.

Scripture Credits

Scripture quotations are from the Holy Bible, King James Version (KJV), which is in the public domain.

No permission is required for use.

Thank You

Thank you for reading *Faith & Technology*. If this devotional encouraged your walk with Christ, one of the most meaningful ways to support the ministry of Christian authors is by leaving a short review on Amazon.

Your review helps more readers discover devotional resources that strengthen their faith.

May God continue to guide you, strengthen you, and speak to you through His Word.
